By David Werner : WHERE THERE IS NO DOCTOR (MACMILLAN TROPICAL COMMUNITY HEALTH MANUALS) tabtight professional free when you need it vpn service WHERE THERE IS NO DOCTOR (MACMILLAN TROPICAL COMMUNITY HEALTH MANUALS):

1 of 1 review helpful This is a terrific book that was in my house growing up By lilli This is a terrific book that was in my house growing up I m glad to see it is still in print 0 of 0 review helpful Deals a lot with pediatrics but there is quite a bit that is good general advice By Bruce Deals a lot with pediatrics but there is quite a bit that is good general adv With 3 million copies in print in over 50 languages Where There Is No Doctor is the most widely used health care manual in use in developing countries today Using simple language and hundreds of drawings the book provides information about recognising treating and preventing common illnesses and injuries But it is far more than simple first aid information It covers a wide range of subjects that affect the health of the villager from diarrhoea to tuberculosis fr The Hesperian Foundation has been selling this Third World medical manual at a brisk pace for more

than 25 years This classic public health text has meant survival for thousands in the Third World since the early 1970s according to officials from the Wo
