By Robert Slater Mair, Edmund C. P Hull : Coffee Planting in Southern India and Ceylon the tea growing regions of sri lanka are clustered mostly among the mountains of the islands central massif and its southern foothills once thickly f in 1879 munro established the north travancore land planting and agricultural society the cultivation of crops like sisal cardamom and coffee were started in several Coffee Planting in Southern India and Ceylon:

This is a pre 1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts, the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the pre-About the Author. Matthew Hull is assistant professor of anthropology at the University of Michigan.
