By Sandra Gompf : Gompf's ID Pearls 2.0 Gompf's ID Pearls 2.0:

A data dense handbook of pearls of wisdom in infectious diseases medicine in short sweet bullet point format Fast facts to impress your attending study and use on rounds and pass the Boards You don t always have time to study a lot of case questions or read a textbook You need word associations mnemonics short bites of easily managed information that you can use at 3 o clock in the morning and during an exam A nice complement to a general ID handbook or case
