By Gilbert E. Brooke : Aids to Tropical Medicine (Classic Reprint) traces of therapeutic activities in china date from the shang dynasty 14th 11th centuries bc though the shang did not have a concept of quot;medicinequot; as distinct a self help guide to immune restoration for persons with candidiasis cancer hiv aids chronic fatigue syndrome

hcv hbv hsv i and ii includes the journal of Aids to Tropical Medicine (Classic Reprint):

Excerpt from Aids to Tropical Medicine The number of openings for medical men in the tropical portions of our Empire the admission of cases of tropical disease by the agency of our increasing commerce and the recognition of grave colonial and international sanitary questions have all served to give an impetus to the study of tropical diseases at home The concrete results of this impetus have been manifested by the establishment of Schools of Tropical Me
