By U.K. Misra : Tropical Neurology (Vademecum) we would like to show you a description here but the site wont allow us vitamine b12 is een essentile voedingsstof en speelt een belangrijke rol bij onder meer dna synthese cellulaire herstelprocessen bloedaanmaak en hersenfunctie Tropical Neurology (Vademecum):

Tropical neurology refers to those diseases of the nervous system which prevail in between the Tropics of Cancer and Capricorn. Developments in speed and ease of travel and globalisation of economy have resulted in large scale migration rendering the boundaries of tropical regions less distinct. Wars, famines, natural disasters and economic sanctions have added to the problem of infection and aggravated the preexisting nutritional deficiency disorders in many tropical countries.
