familiar words that come to mind when dealing with hiv aids Don't Let Them Die: HIV/AIDS, Tb, Malaria and the Healthcare Crisis in Africa:

Africa's healthcare crisis is well documented even if not always accurately. What is undeniable is that millions of Africans are dying from HIV/AIDS, tuberculosis, malaria, and other illnesses, some of them easily preventable. Dr Akukwe examines the healthcare policies on Africa's major diseases: HIV/AIDS, tuberculosis, and malaria, showing how the healthcare crisis is bound up with and worsens the general crisis of poverty in the continent. He also discusses how a
