Sowing the Seeds of Safe Motherhood in Sub-Saharan Africa:

In most areas of Sub Saharan Africa it is expensive dangerous and unsafe to give birth especially when pregnancy is complicated by life threatening conditions Safe caesarean section has a key role to play in making childbearing safer but it costs around 300 or more and in a continent where most people live on less than 1 per day this is simply unaffordable to most households Worse still many cannot afford even the user fees charged Additionally the public hea
