From S. Karger : Iron Chelators in Medicine (Journal - Acta Haematologica , Vol 95) Iron Chelators in Medicine (Journal - Acta Haematologica , Vol 95):

Special Topic Issue Acta Haematologica 1996 Vol 95 No 1 Iron chelating drugs are used to protect patients with chronic transfusion dependent anemias from the harmful consequences of iron overload This publication summarizes the experience with long term iron chelating therapy using the well established agent desferrioxamine and the new orally effective deferiprone in thalassemic patients The development of new drugs is described and new indications for iron ch
